# The journey to sustainability

More than 30 years  
working for a green future

## Why exhibit?

The GREEN Expo is the meeting point for entrepreneurs, researchers, governments, organizations and educational institutions that are looking for the best environmental practices.

**Do green business in Mexico...  
Get in touch with professionals  
interested in sustainable solutions**

Mexico has great potential to be a green country and needs your company's products and services to meet environmental challenges.

- **Multiply your contacts in three days**
- **Meet key decision-makers**
- **Build distribution networks**
- **Show the benefits of your products and services**
- **Share experiences**
- **Exchange information**
- **Showcase environmental best practices**
- **Enter new markets**
- **Offer more value to the customer**

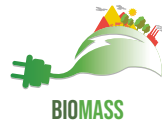

## Achieve success in the Mexican market

Conr

## What can you showcase?

Offer the latest environmental technologies, solutions and materials!

Smart waste management

Solutions for the energy transition

Bioeconomy projects: bioenergy and bioproducts

Automation and consulting

Services and products for comfortable and eco-friendly spaces

## A reliable and efficient forum:

- Experience and evolution over more than three decades
- International Congress
- Recognizes research, development and innovation activities
- Supported by associations, organizations and opinion leaders
- Complements, strengthens and grows larger with other exhibitions

connecting green business

**TOGETHER FOR A UNIQUE NETWORKING PLATFORM!**

**The right place to launch new products, services & latest technology.**
